STEPS THAT SOUND SAFETY

Introducing

Stairs and staircases are defined by more than just their usefulness. These functional devices are also appealing from a style standpoint, since well-appointed staircases are now a distinguishing element in homes, rooms, or halls. Marfil full body Steps and risers are available in a variety of colours and shades to complement your interior and external areas.

Perfect Blend Of Safety And Style

The stain and water resistance of step riser makes the material easy to maintain. Spills can be cleaned up with warm water on the spot, and sweeping will keep loose debris off the floor. It is also resistant to cracking and breaking due to stress and physical impacts.
