

Marfil Tiles LLP

Certified Quality & Sustainable Manufacturing

Compliance and Certifications

At **Marfil Tiles LLP**, we are committed to delivering high-quality, sustainable, and eco-friendly products to our valued customers. Our **Full Body Vitrified Tiles / Digital Full Body Vitrified Tiles** products comply with the highest industry standards, ensuring superior performance, durability, and environmental responsibility.

We are proud to announce that our products meet the following international certifications:

CE Marking

Our products conform to the European Union's **CE Marking** requirements, ensuring they meet the health, safety, and environmental protection standards for products sold within the European Economic Area (EEA). This certification is a testament to the high quality and reliability of Marfil Tiles.

UKCA (United Kingdom Conformity Assessed)

Our products are also UKCA certified, complying with the UK's post-Brexit regulatory requirements for placing products on the UK market, guaranteeing their conformity with UK safety, health, and environmental standards.

ISO 9001:2015

Marfil Tiles LLP is certified under the **ISO 9001:2015** Quality Management System standard. This certification reflects our commitment to maintaining consistent quality and ensuring customer satisfaction through rigorous quality control processes.

ISO 14001:2015

As part of our dedication to environmental sustainability, Marfil Tiles is certified under **ISO 14001:2015**, an international standard for environmental management systems. This certification ensures that our operations minimize environmental impact, promoting sustainable manufacturing practices throughout our production processes.

IS 15622:2006 (Indian Standard for Ceramic Tiles)

Our products comply with **IS 15622:2006**, the Indian standard for ceramic tiles, which specifies the requirements for quality, safety, and durability for ceramic floor and wall tiles manufactured and sold within India.

IGBC (India Green Building Council)

Marfil Tiles is committed to sustainability, and our products are recognized by the **India Green Building Council (IGBC)** for their contribution to green building initiatives. Our products help achieve credits in green building ratings and certifications, supporting sustainable building practices across India.

A Sustainable Approach to Manufacturing

In line with our commitment to sustainability, **Marfil Tiles LLP** is proud to operate our own **solar energy plant**. This renewable energy initiative significantly reduces our carbon footprint, further supporting our mission to minimize environmental impact while ensuring sustainable growth.

- **Solar Power Plant:** Our state-of-the-art solar energy plant harnesses renewable energy to power our manufacturing facilities, reducing dependency on non-renewable resources and cutting down on carbon emissions.
- **Carbon Emission Reduction:** By utilizing solar power, we have dramatically decreased our carbon emissions, contributing to a cleaner, greener future and aligning with global sustainability goals. Approximately 40% of our electricity needs are fulfilled by our Solar Plant.

Through these efforts, Marfil Tiles LLP not only meets the highest standards of product quality but also champions' eco-friendly and sustainable manufacturing practices.

Our Commitment to a Greener Future

Marfil Tiles LLP is dedicated to delivering world-class products that meet both industry standards and sustainability goals. We strive to lead the way in providing eco-conscious solutions to the construction and interior design industries, creating spaces that are not only beautiful but also environmentally responsible.
